Marcus/Oliver - Only You

Chapter Summary

Marcus Flint/Oliver Wood, 50 words
For the Microfic May day 1 prompt *ignite*

It’s always been like this between us — biting and scratching, spitting and tearing, yelling and screaming. No one enrages me like you do. No one gets under my skin the same way. No one sets me on fire with one glance, one burning touch.

Only you make me feel alive.

🔥 🔥 🔥

Harry Potter - Are you the villain or am I?

Chapter Summary

Harry Potter, 50 words
For the Microfic May day 2 prompt *villainous*
CW: torture

The spell burst forward, pulsing through my fingertips, a volatile beast, alive and whole. Alecto fell to the floor, mouth open, spine curved.

It was as easy as breathing, simple as smiling. I watched her body squirm, scream until her lungs ran out of air.

I revelled in her pain.

Lavender/Parvati - Your Heart Beats in Me

Chapter Summary

Lavender Brown/Parvati Patil, 50 words
For the Microfic May day 3 prompt *heartbeat*
CW: MCD

The first time we kissed, your heart beat so quickly I thought it would leap from your chest and into mine.

The next time, my heart thudded in return.

The time after that, our hearts pressed together, pulsing as one.

The last time, your heart had no beat, only silence.

Luna & Draco - The Cellars of Malfoy Manor, 1998

Chapter Summary

Luna Lovegood & Draco Malfoy, 50 words
For the Microfic May day 4 prompt *solitude* + *'Say' Challenge*

“Do you ever feel alone?” Draco asked, leaning his head against the cold wall. “Like you’re in the centre of a crowd. There’s so many people. So many it’s suffocating. And yet, you’re alone.”

Luna reached a hand between the bars and took Draco’s hand.

“All the time,” she replied.

🖤🖤🖤

The Marauders - Under the Moon

Chapter Summary

The Marauders, 50 words
For the Microfic May day 5 prompt *lost & found* + *'Say' Challenge*

"Anyone seen Moony?"

They searched the castle high and low, checked the cupboards filled with spiders, and the closets filled with unhappy Slytherins.

"Ah! Found you!" Sirius threw back the curtain to the hospital bed with a flourish.

James patted Remus's bandaged shoulder. "We're never going to lose you again."

Minerva McGonagall - The White Stone

Chapter Summary

Minerva McGonagall, 50 words
For the Microfic May day 6 prompt *survive* + *'Say' Challenge*
CW: post-BOH

"Oh, Albus." Minerva placed her hand on the white stone. "You should have seen it. Potter, he—"

She paused to wipe at her eyes.

"It's over. It's all over."

She returned to the castle, avoiding patches of red and sidestepping prone bodies.

Dumbledore's tomb laid silent and cold behind her.

🤍🤍🤍

Harry/Severus - Push and Pull

Chapter Summary

Harry Potter/Severus Snape, 50 words
For the Microfic May day 7 prompt *irresistible*
CW: explicit, teacher-student relationship

Your mouth on my cock, my fingers in your hair.

I am sickened by the sight even as I gasp for more. Your tongue peaks out to lick the tip, and I shudder.

I should push you away, tell you this is the last time.

Instead, I pull you closer.

Hermione/Pansy - Thicc

Chapter Summary

Hermione Granger/Pansy Parkinson, 50 words
For the Microfic May day 8 prompt *expectations* + *'The' Challenge*
CW: sex toys

"It's… uh… bigger than I thought it'd be." Hermione nervously fiddles with her hair.

Pansy raises an eyebrow. "Don't think you can handle it, Minister?

Hermione rolls her eyes. "Whatever. Just hand it over."

Pansy smirks. "What? Right now?"

In answer, Hermione hops onto her desk and spreads her legs.

The Professors - A Fluffy Boy

Chapter Summary

The Professors, 50 words
For the Microfic May day 9 prompt *ferocity* + *'The' Challenge*

"See, he's a good pup. Jus' play a bit o' music, an' he's out like a log." Hagrid set down a large wooden flute, larger than Snape's entire forearm.

"Headmaster, are you quite sure we need this *ferocious beast* guarding—"

"Quite, Severus. Quite," said Dumbledore, eyes sparkling behind half-moon spectacles.

🐶🐶🐶

Bellatrix/Voldemort - Devotion in Colour

Chapter Summary

Bellatrix Black Lestrange/Lord Voldemort, 50 words
For the Microfic May day 10 prompt *black & white*

His skin was white as fresh fallen snow, his hair black as the inside of a coffin nailed tight, his eyes red as the blood that stained the tip of his wand.

I bowed, nose almost touching the ground. “My Lord.”

Chapter Summary

Luna Lovegood/Ginny Weasley, 50 words
For the Microfic May day 11 prompt *balance*

“Yes, just like that.” Ginny let go of the broom and stepped away. “There you go. Just a little more. Now, lean forward and… bollocks, are you alright?”

Luna picked herself up from the grass. “I like it better when we fly together.”

“Yes, alright.” Ginny smiled. “Hop on then.”

Seamus/Dean - A Healthy Glow

Chapter Summary

Seamus Finnigan/Dean Thomas, 50 words
For the Microfic May day 12 prompt *radiant*

"Why the fuck are you glowing?"

Dean looked down at his torso, and sure enough— "Oh!"

"But seriously," said Seamus, "why is your heart—"

Hermione cleared her throat. "It says here, *after casting the spell, when in the presence of one's soulmate* —"

"Seamus!" Dean yelled, sounding panicked. "You're glowing too!"

💞💞💞

Harry Potter - Welcome to Hogwarts

Chapter Summary

Harry Potter, 50 words
For the Microfic May day 13 prompt *symphony*

Harry didn’t know what he expected, really. Maybe pointy-hatted witches stirring steaming cauldrons (well, there was that). Or maybe brooms flying fifty feet high (and that too).

What he hadn’t expected was the frog choir, coordinated croaks bleeding through the walls.

Harry stuffed another pillow over his ears and groaned.

🐸🐸🐸

Bill & Fleur - Too Long

Chapter Summary

Bill Weasley & Fleur Delacour, 50 words
For the Microfic May day 14 prompt *inquietude*
CW: character death

Bill waits outside. The air is too cold, the crashing waves too loud, each ticking second too long.

“Are they here yet?” Fleur calls.

“Not yet!” he replies, but they’ll come. *They have to.*

A crack of Apparition breaks the sky, and Bill raises his wand.

He watches Dobby fall.

⌛⌛⌛

"I was in love with you," Albus says, slowly stirring his cup of cooling tea.

Gellert's expression remains unchanged.

"When we were young, I thought we would change the world together."

"We still can."

"No." Albus looks up to meet Gellert's gaze, unwavering and so familiar it hurts. "We can't."

☕☕☕

Draco/Harry - White, the colour of flowers

Chapter Summary

Draco Malfoy/Harry Potter, 50 words
For the Microfic May day 16 prompt *remember* + *Flash Poetry Challenge* + HP Flowers prompt *daffodil*
CW: Hanahaki Disease

I actually wrote an entire 3k fic based on this premise which you can READ ON AO3.
Warnings: It's angsty as fuck, but with a happy ending!

White,
the colour of flowers.
Sweet and subtle.
Soft and sincere.

Threaded through a loose braid.
A narrow vase on a windowsill.
Ruffling in a forest breeze.

Rough stems
scratching and pulling.
Drops of blood
spiralling out of control.
Eventually there is
no
white
anymore.

White,
the colour of silence.

"Happy Birthday, love."

Luna pressed a kiss to Pansy's forehead. She smelled like triple chocolate cake, late nights by the fire, and roses dipped in blood. Luna would do anything for Pansy— had already done everything for Pansy.

Chapter Summary

Harry Potter/Tom Riddle, 50 words
For the Microfic May day 19 prompt *humbug*
CW: Master of Death Harry
Inspired by A Christmas Carol

Tom was tallying this week's sales when *he* appeared, long dark cloak draping his shoulders like smoke.

"I am your past, present, and future." Green eyes stared balefully back at him.

"Why are you here?"

The figure extended his hand. "For you to learn love."

👻👻👻

Hermione/Bellatrix - The Endless Sea

Chapter Summary

Hermione Granger/Bellatrix Lestrange, 50 words
For the Microfic May day 20 prompt *sand & sea*
CW: implied captivity

I, the sand. She, the sea.

Gradually chipped away, pulled into her churning folds, drowned in her current.

But no one looks for me.

I am trapped in her endless sea.

At the first press of their lips, he came to life again.

Chapter Summary

Viktor Krum/Ron Weasley, 50 words
For the Microfic May day 22 prompt *invincible*
CW: explicit
For the wonderful crazybutgood. This um turned out more explicit than I intended. I hope you don't mind ;)

Ron should probably mind more that Viktor caught the Snitch right from under Ron's nose.

But it's hard to be upset when Viktor always apologises so sweetly.

"Say it again," Ron orders, rocking his hips.

Under him, Viktor moans. "I'm s-sorry."

"Good." Ron lowers himself, finally letting Viktor slide inside.

🏆🏆🏆

Draco/Myrtle - More

Chapter Summary

> Draco Malfoy/Moaning Myrtle, 50 words
> For the Microfic May day 23 prompt *progress*

"I can't… I can't fix it…" Draco leans over the white sink, hands clutching uselessly.

"Just kill me before he does."

Myrtle lays a hand on his cheek. All he feels is cold, doubt, and desperation.

He wishes he felt more.

“Then come back to bed, love.”

Cedric moaned. "Fuck, Flint. Yes, anything."

Katie stepped closer. "Show me what to do."

💚 💛 💚

Sirius Black - One Direction

Chapter Summary

Sirius Black, 50 words
For the Microfic May day 26 prompt *wander + 10 Min Challenge*
For the lovely PaulaMcG. Your Sirius POA series really inspired me.

Sirius knew what it meant to be lost, to wander aimlessly with no direction, no purpose.

To be alone, to lose all hope.

But this was not that.

Sneaking onto the Hogwarts grounds, he watched and he waited.

It was only a matter of time before the rat slipped up.

🐀 🐀 🐀

"N-Nothing." Secretary Ning slammed the draw closed.

"Aww, is Ning hiding her snacks from us again?" Draco appeared sporting an annoying smirk.

"Stop! Stop it!" Ning yelled, but it was too late.

Harry was already skipping away, stolen KitKats in his hand.

Hermione (probably) - The End

Chapter Summary

> Hermione Granger (probably), 50 words

> Don’t ask me where I was going with this. I have no idea. It sounded really good when I was writing it (when I was drunk).

the beginning is the middle is the end

if life is a circle

where do we start?

if life is a line

well, that doesn’t help either

lines are infinite, neverending, relentless

forever reaching for an impossible end

if my life is a line

then I’d rather be a circle

There was something oddly freeing in those few hours when his lover was more beast than man.

When he plunged inside, ignoring Severus's squirms and screams.

Severus barred his neck, willing the wolf to leave his claim.

"You're my best friend," says Harry. "It could never be anyone else."

"But Hermione—"

"Not Hermione, *you."*

Ron hesitates, glances at Harry's hand inching closer on the bench.

"Well, alright." Ron cracks a smile.

Harry kisses him.

The Golden Trio - 他的希望

Chapter Summary

The Golden Trio, 50 characters
For the Microfic May prompts day 6 *survive,* day 21 *promise,* and day 27 *hopeful* + *MEGA CHALLENGE*

Baby's first Chinese fic!!! Oh my god, someone please give me a medal (or at least a participation award). This was a bitch to write because my Chinese is rusty AF, but I struggled through (ahem, thanks google translate for reminding me how to write Ron in Chinese). And because I really wanted to torture myself apparently, it's in traditional Chinese. Hope y'all enjoy my suffering. Oh! This is also my entry for the MEGA CHALLENGE. I used 3 prompts instead of 1. Translation is in the end notes.

Chapter Notes

See the end of the chapter for notes

“What is it? What is it you wish for?”
Harry set the necklace down. “I just want to survive.”
Hermione took his hand. “Of course you will, I promise you.”
“Yeah!” said Ron. “We’ll protect you.”
